Tomorrow night at 7 p.m., [LL Dent](#) in Carle Place, a southern-style restaurant, will be the scene of a job networking event jazzed up with live music.

Restaurant co-owners Lillian and Leisa Dent will be joined by radio personality [Ken "Spider" Webb](#) (currently of Webb Internet Radio) for a talk about preparing for a job search. The Brownstone Jazz Quartet will entertain.

If you can't go but have an interest, the program will be streaming live on [kenwebb.com](#). There's no admission to the event; just order whatever you like from the menu. Reservations are recommended, though, since seating is limited.

LL Dent is at 221 Old Country Rd., Carle Place, 516-742-0940
